To whom it may concern:

# MORITA DENTAL PRODUCTS CORP. Completes Business Acquisition of Nasu Plant of Dentsply Sirona

In accordance with an agreement concluded on February 25, 2021 with Dentsply Sirona K.K. (Location: Minato-ku, Tokyo; Representative: Yuko Kitamoto) concerning the acquisition of business of its plant in Japan (Nasu Plant), which manufactures orthodontic and other dental-related products, MORITA DENTAL PRODUCTS CORP. (Location: Otawara, Tochigi; Representative: Haruo Morita) completed the acquisition and officially took over the business on April 1, 2021.

After completing the necessary approval procedures such as application for pharmaceutical approval and insurance coverage, MORITA DENTAL PRODUCTS CORP. will start manufacturing the products. From May 21, 2021, orders for orthodontic products will be accepted by JM ORTHO CORP. (Location: Chiyoda-ku, Tokyo; Representative: Yu Yamazaki) and those for products other than orthodontic products will be accepted by J. MORITA CORP. (Location: Suita, Osaka; Representative: Haruo Morita).

MORITA DENTAL PRODUCTS CORP., together with J. MORITA CORP. and JM ORTHO CORP., will strengthen cooperation in the Morita Group's orthodontic business, and work to further grow and evolve the business in order to contribute to the development of orthodontics and the dental industry.
